FALL

The Seventh Gourmet, 'No. 7'

Formerly the assistant of a professor who researched mutations in vampires.

He is obsessed with Olivia, the product of the professor's only successful experiment.

His body, which is made entirely of water, can change form freely and becomes stronger when he is near water.

But that's not all there is to him...

You look
beautiful,

Olivia.

Vampire Library

The very
subject of his
one and only
successful
experiment.

I have been
watching you
ever since.

Watch-
ing.

watch-
ing.

and
watch-
ing...

...Then, I
discovered
your weak-
ness!

You
were lonely.
weren't you?
Always afraid
of being
abandoned?

...You
wanted
to be loved
by someone,
didn't
you?

You sold
your time
and your
love.
But they
all left you
in the end.
The professor
was no
different.

You
always
ended up
alone.

TRICKLE

Poor
Olivia.
Nobody
loves
you.

It's okay.

E

Now that the
professor is
dead,

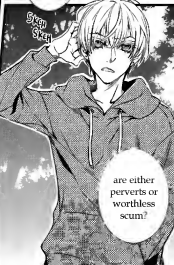

I will
always
be beside
you.

I need a
new mutant to
experiment on.

You'll do
whatever
I ask of you,
won't you,
Olivia?

Vampire Library

Don't touch her, you piece of shit.

...
You
are
...

Olivia!!

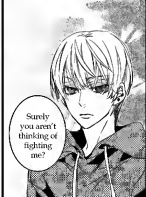

the human
that was
with Olivia.

Well?

What're
you
gonna
do?

Though
I doubt
the odds
would shift
even if
he did
come.

Seeing
how his prey
is running
around
freely,
he
probably
doesn't
amount to
much.

You
think?

You're gonna
regret saying
that...

Did
you hear
that?

Carbel.

TP

...Louis??

Page

Get back
for Olivia

He's

He asked
to come, so I
brought him
along.

In case
you didn't
know.

Hand in hand

There are
two extra slots
for telepor-
tation

So, on top of
being a human
GPS, I'm also
a portait

There are
more mutants?

It's him.

What
is this
chill I'm
feeling

...He's
dangerous.

Is he the
Gourmet that
kidnapped
Olivia...?!

...
Yours?

...Huh?

Could
this
bastard
be...?

CRASH!!

Duck.

Wait!

How
heartless.
You could've
pulled me
out of the
way too.

Don't
pretend
to be
weak.

CLOUD
OF
DUST

Surely
you can
swat
your own
back.

That's right,
I'm a Gourmet.

And there is
nothing you can
do to stop me.

SLITHER

I can
control my
form like
water.

Is water-
manipulation his
ability?

I see.

No
wonder
Olivia is
in this
state.

For her,
that Gourmet
is the worst
opponent
possible.

Ha

haha

...

Ha
haha!

HA HA HA
Ha Ha!!!

Carbell,
I think
Louis has
gone
crazy.

Q

TABLE 1

Louis must have figured it out as well.

In that case, there is no reason to take action.

...Why
are you
laughing?

You can
change your
form freely
like water?

you

are a
good liar.

Isn't that
Olivia's
whip?

...
can't
be...

How

did he...?

SPLASH

Also,

isn't it
hard for
you to use
a whip?

With only
one arm.

...
How

do you
know?

SPLASH

Fuck!!

How!!

TPTT

...
This.
